Shreya: OCT. 14TH

CHECK OUT WHAT WE'RE LEARNING!

READING WORKSHOP: WE WILL CONTINUE TO USE THE TIGER RISING TO ANALYZE CHARACTERS. THE STUDENTS ARE ON THE EDGE OF THEIR SEATS AS WE CONTINUE READING ABOUT ROB AND SISTINE.

Writing Workshop: This month, we will continue working on our Narratives. The students are working hard to develop their characters and scenes every day!

Math: As we finish up Chapter 1, we will begin our unit on multiplication. Remember to practice those facts every night to help with fluency!

Science: This month, we are continuing with our Engineering Unit and will culminate with a fun, engaging activity. Look out for flying objects!!

Social Studies: As we finish up our mapping skills, we will learn about each other by creating our *Autobiography Islands*. Then we will begin exploring the regions of our country, starting with the East.
