

## 5th Grade News

Our 5th graders will participate in so many fun activities and privileges this year. Take a look at what they are looking forward to!

- \*Kindergarten Buddies
- \*Camp Happiness
- \*Announcements and Baskets
- \*Halloween and Holiday Parties ALL together!
- \*Peacemakers
- \*L.E.A.D.
- ....and many more!

### Subject-area Information

**Science** - Ask your child all about the Engineering Design Process and how successful they made their Pringle's Package!

**Social Studies** - Check in with your child about what Native American region they are learning more about.

**Math** - Place value and multiplication are our focus. Check out Reflex Math to reinforce fact fluency!

**ELA** - We will be diving into Book Clubs to explore themes. Check out our personal narratives that tell a true account of an important moment in our lives.
