

World Language Newsletter

Dear Students & Parents,

I am the World Language teacher. I am proud to work with these amazing students in this trimester. We have been learning greetings, numbers and will be learning animals, colors, days of the week, world language culture and more. I look forward to continuing on our journey of learning Spanish together and encourage suggestions from students and parents on future class material including items and places of interest related to the World Language class. My door is always open.

Gracias,

*Maestra
Rumbarger*

I love to practice Spanish at home:

Greetings
